Title: Chief Financial Officer

**UNAUDITED PRO FORMA CONDENSED CONSOLIDATED FINANCIAL STATEMENTS**

The following unaudited pro forma condensed consolidated financial statements have been derived by the application of pro forma adjustments to the historical consolidated financial information of The Providence Service Corporation (the “Company” or “Providence”), which have been presented to give effect to Providence’s sale of its equity interest in Mission Providence Pty Ltd (“Mission Providence”).

Mission Providence was formed in 2014 as a joint venture between Providence and Mission Australia ACN (“Mission Australia”) to provide employment services under the Australian Government Department of Employment’s jobactive program. On September 29, 2017, Providence and Mission Australia completed the sale of 100% of the stock of Mission Providence to Konekt Limited, pursuant to the share sale agreement dated August 10, 2017.

At closing, Providence received AUD 20.2 million (\$15.9 million) for its equity interest, net of transaction fees, based upon the exchange rate at that date of AUD 0.7839 to USD \$1.00.

The unaudited pro forma condensed consolidated balance sheet as of June 30, 2017 of the Company is presented as if the sale had occurred as of June 30, 2017. The unaudited pro forma condensed consolidated statements of income of the Company for the six months ended June 30, 2017 and the year ended December 31, 2016 are presented as if the sale had occurred on January 1, 2016.

The Company’s historical financial information was derived from its audited consolidated financial statements for the year ended December 31, 2016 (as included in its Annual Report on Form 10-K filed with the Securities and Exchange Commission on March 10, 2017) and the Company’s unaudited condensed consolidated financial statements for the six months ended June 30, 2017 (as included in its Quarterly Report on Form 10-Q filed with the Securities and Exchange Commission on August 9, 2017). The Company’s historical financial statements used in preparing the unaudited pro forma financial data are summarized and should be read in conjunction with its historical financial statements and risk factors, all of which are included in the filings with the Securities and Exchange Commission noted above.

The unaudited pro forma adjustments give effect to events that are (i) directly attributable to the sale, (ii) factually supportable and (iii) based on estimates, available information and certain assumptions that the Company believes are reasonable given the information currently available. The unaudited pro forma adjustments and primary assumptions are described in the accompanying notes. The unaudited pro forma condensed consolidated balance sheet and statements of income are being provided for illustrative purposes only and do not purport to represent what the Company’s results of operations or financial position would have been if the sale had occurred on the dates indicated and are not intended to project the Company’s results of operations or financial position for any future period. Any of the factors underlying these estimates and assumptions may change or prove to be materially different and the estimates and assumptions may not be representative of facts that existed upon completion of the sale. Amounts in the unaudited pro forma condensed consolidated financial statements are presented in U.S. dollars.
